

Terms and Conditions

All our cakes, chocolates and favours are made by Angela at Vanilla Angel

Ingredients

We use the finest ingredients; free range eggs, vanilla beans and extracts, butter, fresh double cream and of course Belgian chocolate.

Some of our cakes and chocolates contain alcohol and nuts. Items without nuts can be made however, our kitchen is NOT a nut free environment.

Storage

Our cakes are made freshly to order from scratch. We do not use mixes and we do not freeze our cakes. Our cakes are intended to be enjoyed on the day of the event though our sponge cakes will stay fresh for about 3-4 days. (Our boozy fruit cakes will last for months!)

Please do not store cakes or chocolates in the fridge – just keep them in a cool place.

Orders

We are really busy, especially now we have the shop. Please let us have as much notice as possible – if we can do it – we will but we only have so many slots available...!

Deposits

For wedding cakes £50 and £20 for other celebration cakes – this is payable at the time of ordering and will be non-refundable. The balance for a wedding cake will be due 2 weeks before the event and for all other cakes, on delivery. Payment can be currently be made by cash, bank transfer or debit / credit card.

Delivery

Our products can be delivered and some can be shipped. Please let us know if you require a delivery / set up service. It may be subject to a charge depending on location and time required, having said that, we are very accommodating. Our products are also available for collection either from our premises or the shop on open days.

Equipment for hire

We do have a selection of cake stands which can be hired. A deposit will also be required which will be sufficient to cover the cost of replacement in case of loss or damage. The customer will be responsible for returning the stand within 2 days of the event.
